# COMPANY PROFILE

BOCREAT group started in year 2006, headquarter in high-tech zone of Jiangmen City Guangdong Province, production plants in Guangdong Province and Jiangxi Province

BOCREAT is made up of 1000+ people, covers over 150,000+ square meters. We make ODM, OEM for famous brands from local and overseas markets

Our daily production capacity of completely finished products is 800,000+ pcs. Apart from our strong production ability of completely finished products, BOCREAT is also a reliable partner of CKD, SKD, manufacture consultant and solution provider to our global manufacturer customers.

Our complete production facilities include 32+ plastic injection machines, 12+ die-casting machines, 48+ SMT machines, 45+ automatic production lines. Most components are made in our own production plants.

BOCREAT is more and more popular for our manufacture experience and advantage. We are confident BOCREAT should be your best partner growing together
